Why We Serve

Background

The Utah Somos Foundation (SOMOS) is a nonprofit organization that has served close to 800 hundred Utah Latino and Hispanic students with over \$4 million in scholarships over the last 20 years. It is affiliated with the Utah Hispanic Chamber of Commerce. We strive to support the community as a legacy scholarship foundation that empowers Latino and Hispanic students to embrace leadership and collaboration.

Our annual gala will recognize this year's scholarship recipients, known as Somos Scholars, and honor community leaders and supporters who have championed the well-being and success of our up-and-coming leaders.
